Ten good reasons why you should choose laminated flooring:

1. It looks like natural wood, but costs a fraction of the price
2. Extremely hard wearing and scratch resistant
3. Built in U.V protection prevents fading in direct sunlight
4. Stain resistant
5. Resistant to cigarette burns
6. Cool in summer, but warmer than tiles in winter
7. Easy to clean and maintain
8. DIY friendly. Quick and easy to install. No glue required
9. Hygienic and anti-allergenic
10. The most popular and fastest growing category in the flooring industry
